#### **Building update:**

Lease, we control the new space for 15 years. We need to uphold existing tenants. There is 4500 sq ft in month to month leases.

We are going to take possession as of July 1<sup>st</sup>. Timpanogas Arts Foundation will use 1500 as storage space and utilize our classrooms and our rehearsal spaces for their needs.

Auto shop, 3 years left on lease Dry wall shop, 4 years

First experience with Chamber Media, was great on both ends. We will keep them as a tenant, provide professional experience with our kids.
