

# Principals Report- April 2016

**1). Staffing Updates-** Hiring of new science teacher.

**2). Purchases-** none

**3). Enrollment update-** Student enrollment for 2016-2017

On-site- 119 current students re-enrolled

New students-39 enrolled

Total for 2016-2017 so far 158

No Harmony Education students next year

Graduates expected 50 out of 54 seniors=93%

One junior graduating and one senior graduated early in December

Graduation rate for 2013-2014-38%

Graduation rate for 2014-2015-58%

Expected rate for 2015-2016-93%

Goal for me was 85%. There are still a few students on the bubble, cross your fingers.

**4). Curriculum changes:** PHS would like to use Standards Based Module (Competency based) along with using Canvas. The turnaround team will have extensive training on this in three weeks and a plan. Do we need Board approval for this?

Also would like to have students use Canvas program that would cost \$9.00 a student. This would be added on the fee schedule. All colleges in the state use the system as well as many high schools. We will be imploring the Performance arts teachers to use the same model. We need their help in order for our students to graduate.

**5) Turn around Education Direction**

STT-(School turnaround team, which is three teachers) will have training on May 16-17 all day. May 23<sup>rd</sup> a faculty Data training and analysis meeting for all teachers and department chairs for the Performing Arts. Teachers will analyze the data to drive instruction for next year.

**6) Next Year Items:** Fee Schedule attached for approval?

**7) Risk management:**

**8) Recruitment:** Recruitment- "Bring a friend day" – One will be May 6<sup>th</sup>.

Professional Artists workshop –free for any students- May 14<sup>th</sup>. Chris is working with Artistic Directors on the workshop.

Best of PHS Showcase- On website and doing a video to advertise- May 12<sup>th</sup>.
