

Pioneer High School SCC Minutes March 1, 2017

Meeting called to order at 5:10 by Joshua Hartgrove

Roll Call

Joshua Hartgrove
 Gil Jarvie
 Michelle Brockbank

Current Spendings are on track
 See attached sheet

Discussion regarding the needs and what would best impact the largest number of students.

Additional money to be spent purchasing integrated math books, LanSchool Software, replacing desktop computers in the lab and acquiring additional chrome books. All of these purchases are in alignment with the goals. Additionally, the LanSchool Software helps Pioneer High School be compliant with our Digital Citizenship (allows teachers to monitor what is happening on all of the computers at the same time). Digital Citizenship assembly was done this year.

Discussed future needs of Pioneer, Gil will talk with the teachers and see what they need in the classroom, their wish list. Committee will meet on March 29 @ 5:30 p.m. Gil will send out an invitation to parents to join SCC, will hold elections based on those interested in being a part of the council.

Motion made to Amend the current Trust Land Plan to match the attached sheet, by Joshua. Michelle seconded the motion. Joshua, Michelle and Gil all voted to submit the spending plan to the USBE for approval. If approved, Gil will move forward with the investments.

Pioneer High School for the Performing Arts
