

Make History with P.H.S!

Our Students need a home in which both Academic and Performing Arts classes can be served in one location. **Historic Harrington School** has been considered as a possible site, in conjunction with the **AF City Utility Building** and the **Historic Apollo Dance Club**. Imagine your student attending a prestigious Performing Arts High School **CAMPUS** in the heart of American Fork!

Harrington Grade School completed in 1903.

"The Harrington School was completed in 1903 and is a registered historic landmark. With the renovation and Theatre Addition, The Harrington School will once again be a shining jewel in Utah Valley!"

The Harrington Foundation

Benefits

- Maximize Visibility and Exposure to P.H.S.
- Facilitate needed student body growth!
- In the heart of the American Fork Performing Arts Community
- Direct student access to I-15, via public transportation
- Easy access to Academic resources at AF Public Library
