

Community Council meeting- September 28, 2016

Agenda-

- Welcome and introduce new members-
Members in attendance: Shari Bradley, Principal, Joshua Hartgrove, Chairman, Michelle Brockbank, Parent. Excused Christopher Bradshaw. PHS would like to add a few more parents and have extended an invitation to some parents to join.
- Discussion and action on how funds were dispersed and used.
Funds last year were used for the Concurrent enrollment room for UVU. Also Chromebooks and a cart for a classroom of 30 was added along with textbooks.
- Feedback from the teachers on what was given to them for classrooms
Teachers were very excited to obtain a chrome book cart and items needed to help them be better teachers in the classroom.
- Discussion on how to allocate the new funds for next year.
Funds for this year are allocated for another classroom set chrome books with a charging cart. Also textbooks for our new AP classes that PHS is offering this year. PHS currently has extra funds as they received a grant for the ALEKS math program thus leaving extra money.
- What exactly do the teachers need and want in classrooms
Teachers in the science room would like to fill their lab with science equipment and supplies. Most teachers are excited for what they now have and are content right now.
- Goals and expectations for money
Extra money will also go towards putting the projectors in the ceiling and installing screens in every room.

Training will be held at American Fork High School on Oct. 26, 2016 from 6-8 p.m.
